CONFECTIONERY

We baked these Choc Chip Cookies to fit in perfectly with this black and white wedding theme. The cookies are wrapped in cellophane, tied up with a ribbon and presented in this special round gift box. We can bake a variety of cookies and present them in a variety of gift boxes, give us your specification!

Give each guest at your wedding a gift they can really enjoy! These bottles come in a variety of sizes, we fill them with homemade preserves and then we present it with a tiny wooden spoon!

These “Pencil Pots” make a practical gift, especially if it is filled with a choice of homemade rusks or cookies.
